ART'S BAKERY GLENDALE

Founded in 1997, Art's Bakery is a family owned and operated business. The bakery quickly gained popularity within the community for their famous "Nazooks" that are baked fresh daily. The success of the business is a reflection of its fine products. The smell of fresh baked bread, pastries, and sweets linger within the walls of Art's Bakery.

Art's Bakery exists to extend the experience of edible art into all spheres of excellence. All of our staff are trained in art and have backgrounds in pastry or baking. We encourage special requests and specific directions. From the sensual experience of a taste made from fresh and fine ingredients to the creation of works of art that far exceed all expectations.

We specialize in extravagant cake decoration and offer many style options that ranged from Classic to Retro and Ultra Modern, what's your style?

Come into Art's Bakery today, see what all the craze is about!
